No. 2:13-CR-008-WFN-52

10                  Plaintiff,

ORDER DENYING MOTION FOR  
RECONSIDERATION AND  
DIRECTING INQUIRY INTO  
RELEASE ADDRESS

11                  vs.

12                  DIAMOND LEANNE McDONALD,

\*\*\* ACTION REQUIRED \*\*\*  
PRETRIAL SERVICES

13                  Defendant.

14  
15                  Defendant was arrested in the Central District of California on September 9,  
16 2014, ECF No. 2697, and has remained in custody since that time. This Court held  
17 a bail hearing on October 24, 2014, and granted the government's motion for  
18 detention.

19                  According to the Pretrial Services from the Central District of California  
20 ECF 2817, Defendant's only conviction was for being an unlicensed driver. She is  
21 a single parent with three children, the youngest of whom is slightly over one year  
22 old and is said to be afflicted with sickle cell anemia. Defendant was detained  
23 largely because of uncertainty about the proposed release address.

24                  Defense counsel and Pretrial Services have continued to consider an  
25 appropriate release address. The court has received supplemental reports from  
26 Pretrial Services on October 24, 2014, ECF No. 2916, and on December 10, 2014,  
27 ECF No. 3190. On January 9, 2015, the Court held a hearing to reconsider  
28 conditions of release.

1       On January 16, 2015, Pretrial Services advised the Court that none of the  
2 addresses proposed for Defendant have proved suitable.

3       The Court therefore **DENIES** Defendant's Motion for reconsideration of  
4 release conditions, **ECF No. 3205**, and directs that without any further court order  
5 Pretrial Services evaluate any reasonable address for release as may be provided by  
6 defense or other appropriate source, and report to the Court and parties should such  
7 address prove suitable for release.

8       **IT IS SO ORDERED.**

9       DATED January 21, 2015.
